In Dedication . . .

Mr. and Mrs. Frank R. Harnden

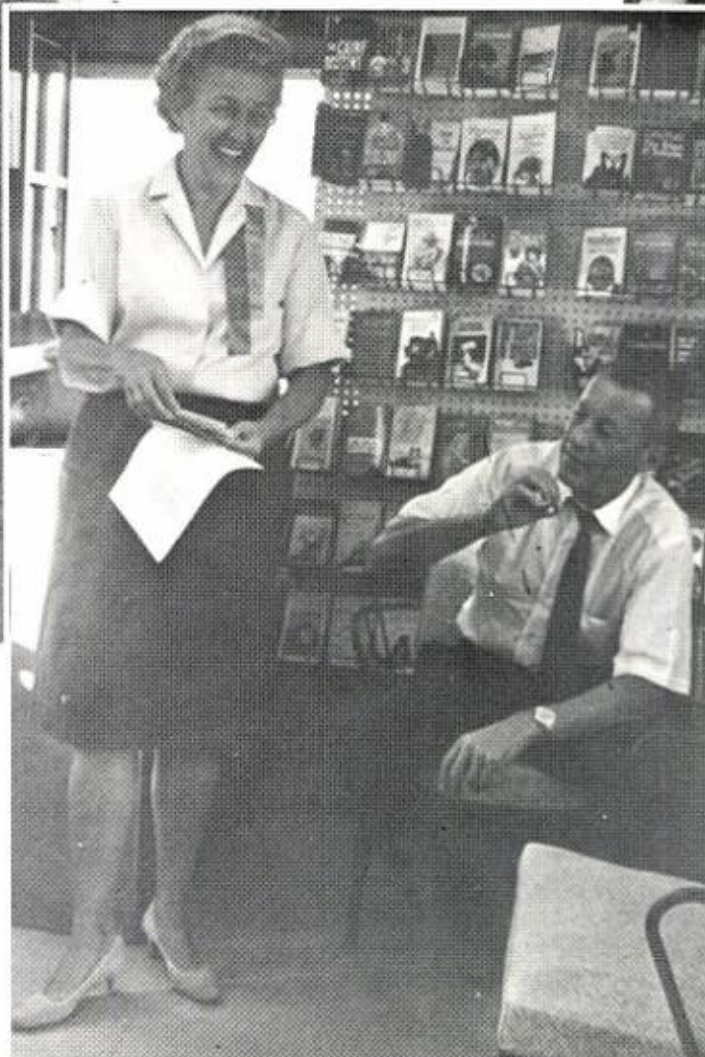

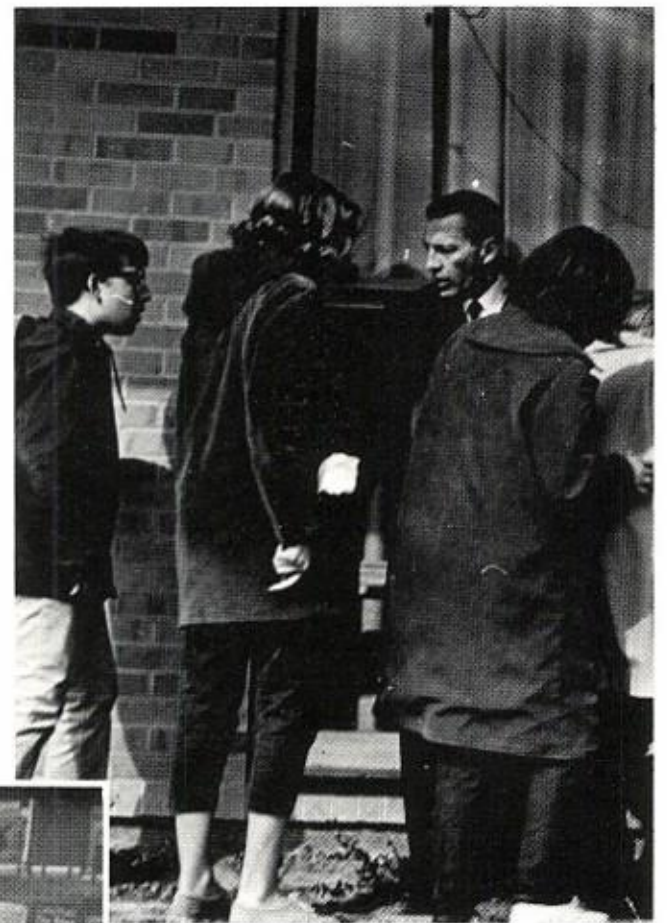

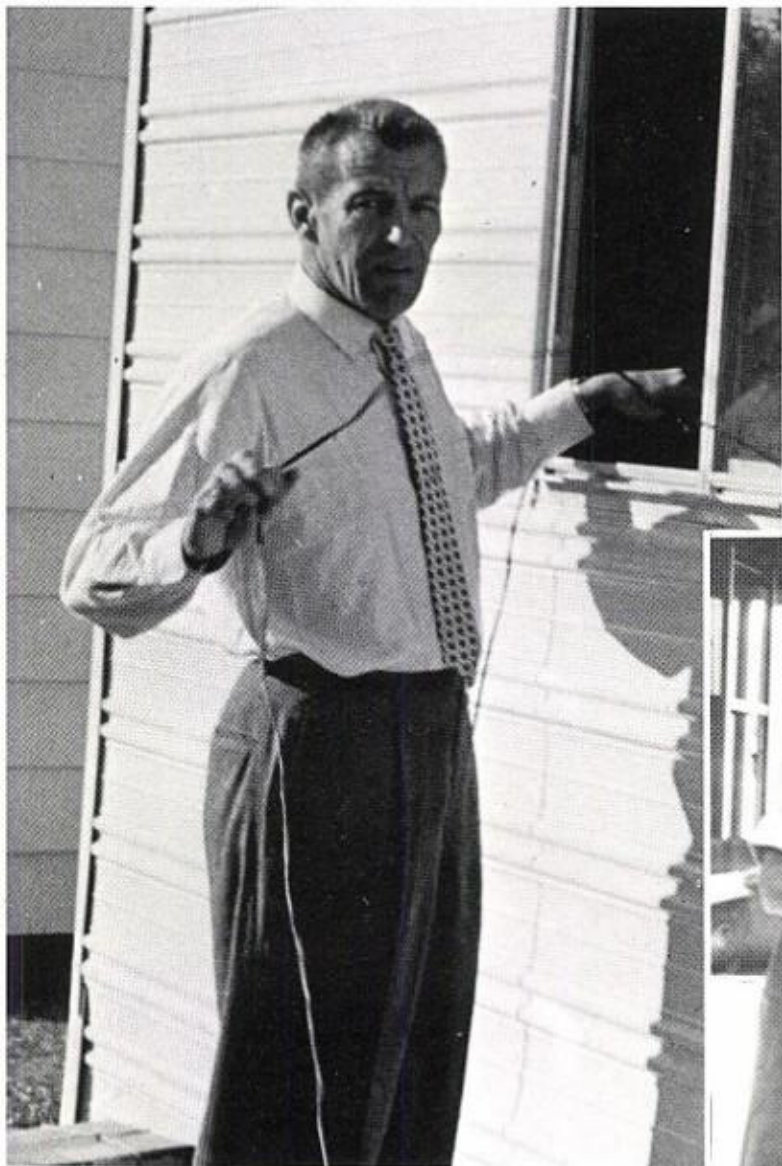

Last year the Cavalcade was dedicated to two people. This year, again, we dedicate the annual to two people, but two who have worked as one.

Although they have no administrative or teaching duties at Greenhill, it is readily apparent to even the newest student that Greenhill could not operate without them.

Mrs. Harnden's bookstore has become an institution at Greenhill, and when Mr. Harnden is not flying troops to Saigon he can be found at a board of directors meeting, working at Arbor Day, or the carnival, or navigating his boat on Lake Texoma.

It is on the efforts of these people that Greenhill depends. In recognition of their long devotion to Greenhill the 1967 Cavalcade staff dedicates this annual to Mr. and Mrs. Frank Roderick Harnden.

My message to the Class of 1967 is:

"At school you are not engaged so much in acquiring knowledge as in making mental efforts under criticism. A certain amount of knowledge you can indeed with average facilities acquire so as to retain, nor need you regret the hours you spend on much that is forgotten, for the shadow of lost knowledge at least protects you from many illusions. But you go to a great school not so much for knowledge as for arts and habits; for the attention, for the art of expression, for the art of assuming at a moment's notice a new intellectual position, for the art of entering quickly into another persons' thoughts, for the habit of submitting to censure and refutation, for the art of indicating assent or dissent in graduated terms, for the habit of regarding minute points of accuracy, for the art of working out what is possible in a given time, for taste, for discrimination, for mental courage and mental soberness."

Roy Ernest Barnes

After entering Greenhill in 1964, R. E. immediately established himself as an integral part of campus life. R. E.'s wry wit and way with his teachers, especially Mr. Hartman, have earned him the respect of faculty and students alike. The sound of R. E.'s air horns and his "soup bowl" haircut are his distinctive characteristics, and the sight of his EVES 2 license plate insures an interesting day at school.

I, R. E. Barnes, leave Uncle Bob in peace, ever hoping that he will overcome his bad habits.

Penny Lea Beck

Silver Rivas, plush apartment, and Kenny Wolf describe Penny Beck... A Greenhill student since the tenth grade Penny has added much to the sports program--most valuable player in basketball last year... When a cackle arises from out of nowhere, Beck will always be behind it... Bread and butter, eggs and bacon, Penny and Kenny... roses, stuffed animals, scrap books, skirts and sweaters... The Big Two--Penny, Margaret... College plans for Penny include S.M.U. and lots of work--after that, who knows... Best wishes, Penny!

I, Penny Beck, leave two dozen of my famous "Beck" calls to Davey Harnden and my parking place to Margaret Charlebois, if she ever gets a car.

Trudy Carlin Broffman

Trudi came to Greenhill in her Senior year from Leonia, New Jersey, a small town near New York. Ballet dancing is one of her major interests... upon her arrival in Dallas she enrolled in a well known dance studio and was accepted by the Dallas Metropolitan Ballet Company. Trudi studied during the summer in Switzerland and her practice with French there has helped her immensely in the classroom. Another Senior who plans to go East to school, Trudi has applied to the Juilliard School and the Boston Conservatory of Dance. We are all confident that the little girl in the back of the room with the hair piled high will walk straight to success.

I, Trudi Broffman, leave to Mike Moon crepes suzettes and to Mr. Kittleman Tom Lehrer's New Math.

Judith Elaine Burns

Judi lays claim to the dubious distinction of being the smallest girl in the senior class... Long reddish hair, and a pleasant smile are the trademarks of Judi... Judi enjoys folksinging as was evident when she helped entertain patients at Woodlawn Hospital for the Latin Club party... Judi was also an active member of the choir last year. We wish Judi luck on what we know will be a successful future.

I, Judi Burns, leave to Dave Lougee my unmatched record for absenteeism and to Karla Erwin, my memory of S. G. and B. H.

Peter entered Greenhill this year after leaving Houston Kinkaid and immediately assumed control of the Photography Club (G.P.C.). Often he can be found wandering about the campus with Cynthia Ventura while wondering if his Tele-X-converter will fit on his super Rolleiflex zoom action camera. The only Greenhill student to own a searsucker suit, Pete and his red VW have quickly become familiar sights at Greenhill.

We wish Pete luck at Trinity University, S.M.U., or T.C.U. where he will major in business administration or economics.

I, Peter B. Dauterman, being of sound mind and body, do hereby leave the Greenhill school Photography Club to anyone, but particularly to Jim Finberg. Owing to the large number of photographers who will be freshmen, I leave their disciplining to your friend and mine, Mr. Schroeder. Good Luck.

Michael Edward Gibbs

Bald is the first thing you think of when someone says Mike Gibbs, but old Casaba head let his hair grow out this year as a fitting finish to a distinguished career at Greenhill. Mike is one of the few three year lettermen in soccer, and his athletic ability is also evident on the baseball fields. Mike has been active in many other Greenhill activities, including the CAVALCADE and MONTAGE. His subtle wit, like that of his two cousins, the Smothers Brothers, has brightened many a day for his classmates. Greenhill will always remember Mike, because how can it ever forget him? His sarcasm and humor will be remembered by students and teachers alike.

I, Mike Gibbs, leave my tremendous French capacity to Mrs. Baldy (Bless her soul) and my terrific sense of humor to Mrs. Hansen. And whatever else is left to be divided between David Miller and Bill Longino.

Diane Leigh Hirst

Big D, steak-dinner-winner-of-the-Senior-Class, is an industrious student who seldom wastes time chatting in Mr. Hartman's office during study halls... Scorvo, a disease???... Diane's mathematical genius enables her to make 99's in Calculus and keep the CAVALCADE books somewhat balanced... From Diane, you will never hear a complaint... Seriously, Greenhill will miss Diane and all her talents and abilities for keeping things in order... The college of her choice will be lucky to receive such an outstanding student.

I, Diane Hirst, leave to Mr. Brookes one life-size picture of Queen Elizabeth and to Mr. Hartman one student who can gripe as much as I can.

David Lee Johnson

Our beloved editor is Greenhill's only native Pampan. Dave came to Greenhill from Robert E. Lee Junior High in Pampa after a "very good year in the eighth grade." Dave's outgoing personality has enabled him to establish intimate relationships with Randy Matson, George Parkhouse, and Betsy Tucker. As a Junior, Dave taught seventh grade science, unaware that his students would return to haunt him in fourth period study hall this year. According to Mr. Wick, Dave will not attend Williams, but we wish him luck at any college at which he doesn't offend the Dean of Admissions.

I, David L. Johnson, leave 5,000 Pampa Rodeo Stickers on walls, lockers and various other places--to Mr. Stanfield who coveted them so.

The perennial commuter, Michele came to Greenhill from Denton Senior High School at the beginning of her junior year. . . the grey ghost has decorated the senior parking lot every day with one exception, when it was attacked by an asphalt layer on Belt Line Road. . . Michele has excellent taste in friends-- "Those supercool hippies are really groovy!" . . . Chele is an industrious worker and always manages to keep herself entertained in the CAVALCADE office or in Mr. Hartman's domain. . . An honor roll student, Michele hopes to go to college in the East where we are sure she'll make a big hit. . . Good luck, Haula!

Sheila is a pleasantly misguided female who forgot what grade she was in and decided to graduate a year early. She can usually be found smiling while she walks about the campus with her long hair blowing in the wind. The only one in Humanities to come to Miss Barnett's class on time and the only senior to notice that there are good colleges in Canada - that's Sheila.

Sheila's interests lie in art and skiing, and we wish her luck at Simon Fraser University or the University of British Columbia.

Craig Dowd Moore...Craig joined the Greenhill family two years ago after several very successful years at Hillcrest...Rumor has it that so many girls were after him and his white Corvette, that he had to flee here in order to save his life...The athletic department has benefited tremendously from Craig's fine performance in almost every sport...He has shone brightly in football as one of the season captains, in basketball, soccer, as one of the captains, baseball, and golf. The versatile Mr. Moore is also an accomplished artist. From posters to nude sculpture, he seems quite proficient. Some of his favorite pastime are girls, Bud, girls, making up codes such as W. B., M. H., etc, girls, Junior Symphony Ball, girls, risking his life to save kites from kite eating trees, girls, skiing, and girls...As president of his senior class Craig has prodded his class through money making projects...One of the friendliest people we know, Craig has a great future ahead of him, beginning next year at S.M.U. Hill-top...LOOK OUT

Fred is like very few other people; he is an individual who has convictions to which he holds firmly in a modern world of change. His greatest virtue and his only vice is that he is just too nice. His will is never known unless it concurs with those around him. His outside life is hidden from most, and few know him well. But everyone knows of his quick technical mind of a scientist, the humor of a thoughtful man, and the soul of a true poet. Once Fred gets out from under one of his cars, we expect him to excel wherever he goes.

Cynthia Cooper Smock

Cindy has been one of the most active senior girls... A Greenhill student since the Middle School, Cindy enjoys her Procter and Gamble stock, but not as much as flying with Jim as her private pilot... a European traveler... Her blue Mustang is a familiar sight on campus... A good student, Cindy consistently makes honor grades... She has been the most active girl on the athletic field participating in swimming, basketball and powder puff football... Cindy's intellectual interests are broad, too, ranging from psychology to architectural landscape... Another Greenhill girl who wishes to go East, we wish Cindy the best of luck at Mt. Holyoke.

I, Cindy Smock, leave The Short Story of King Tut to Mr. Hartman, a copy of Winnie the Pooh to Miss Barnett, and one rebound to Mr. Hughes.

James Michael Stuart

Good old Mick is blessed with that rare talent of being able to talk his way out of any situation and is one of the few to put it to such great use. Mickey spends his time looking at colleges in the East, working in the Varsity Shop, skiing in Aspen, flying real live airplanes, or discussing books with Mrs. Carroll in the school library. Needless to say, Mick is rarely seen in class.

Mick takes great pride in his lovely yellow omelets and the plush blue velvet interior of his 1955 Cadillac hearse.

Although accepted early by Wesleyan, Mickey is waiting to hear from Dartmouth, Brown, and Yale before he decides where to attend college.

I, Mickey Stuart, leave :

1. To Mrs. Hansen, 3 months of back homework and a hearty "Buenos Dias".
2. To Margo Clark, Tuesdays.
3. To Mrs. Carroll and her lovely staff, a fond, but forceful, farewell.
4. To David Carp, my ability to talk my way out of any situation.

Shirley Grace Summerfield

Shirley became the first senior to be accepted by a college when Rice accepted her on the Early Decision program this fall. A Greenhill student since the Middle School, Shirley has been active in many organizations both in and out of school... Helped organize the Peanuts discussion group this year... Her wide assortment of interests includes classical music, American dogs, and fawns... Greenhill's only five year French student... Thanks to Shirley and her unlimited supply of carrots, the physics class rarely goes hungry... We wish Shirley the best of luck at Rice where she plans to major in Biology or Pre-Med.

I, Shirley Summerfield, leave to Mr. Kittleman my back homework papers, to Mrs. Mary Ferrell a pair of roller skates, and to Mr. Zorn my taste in music.

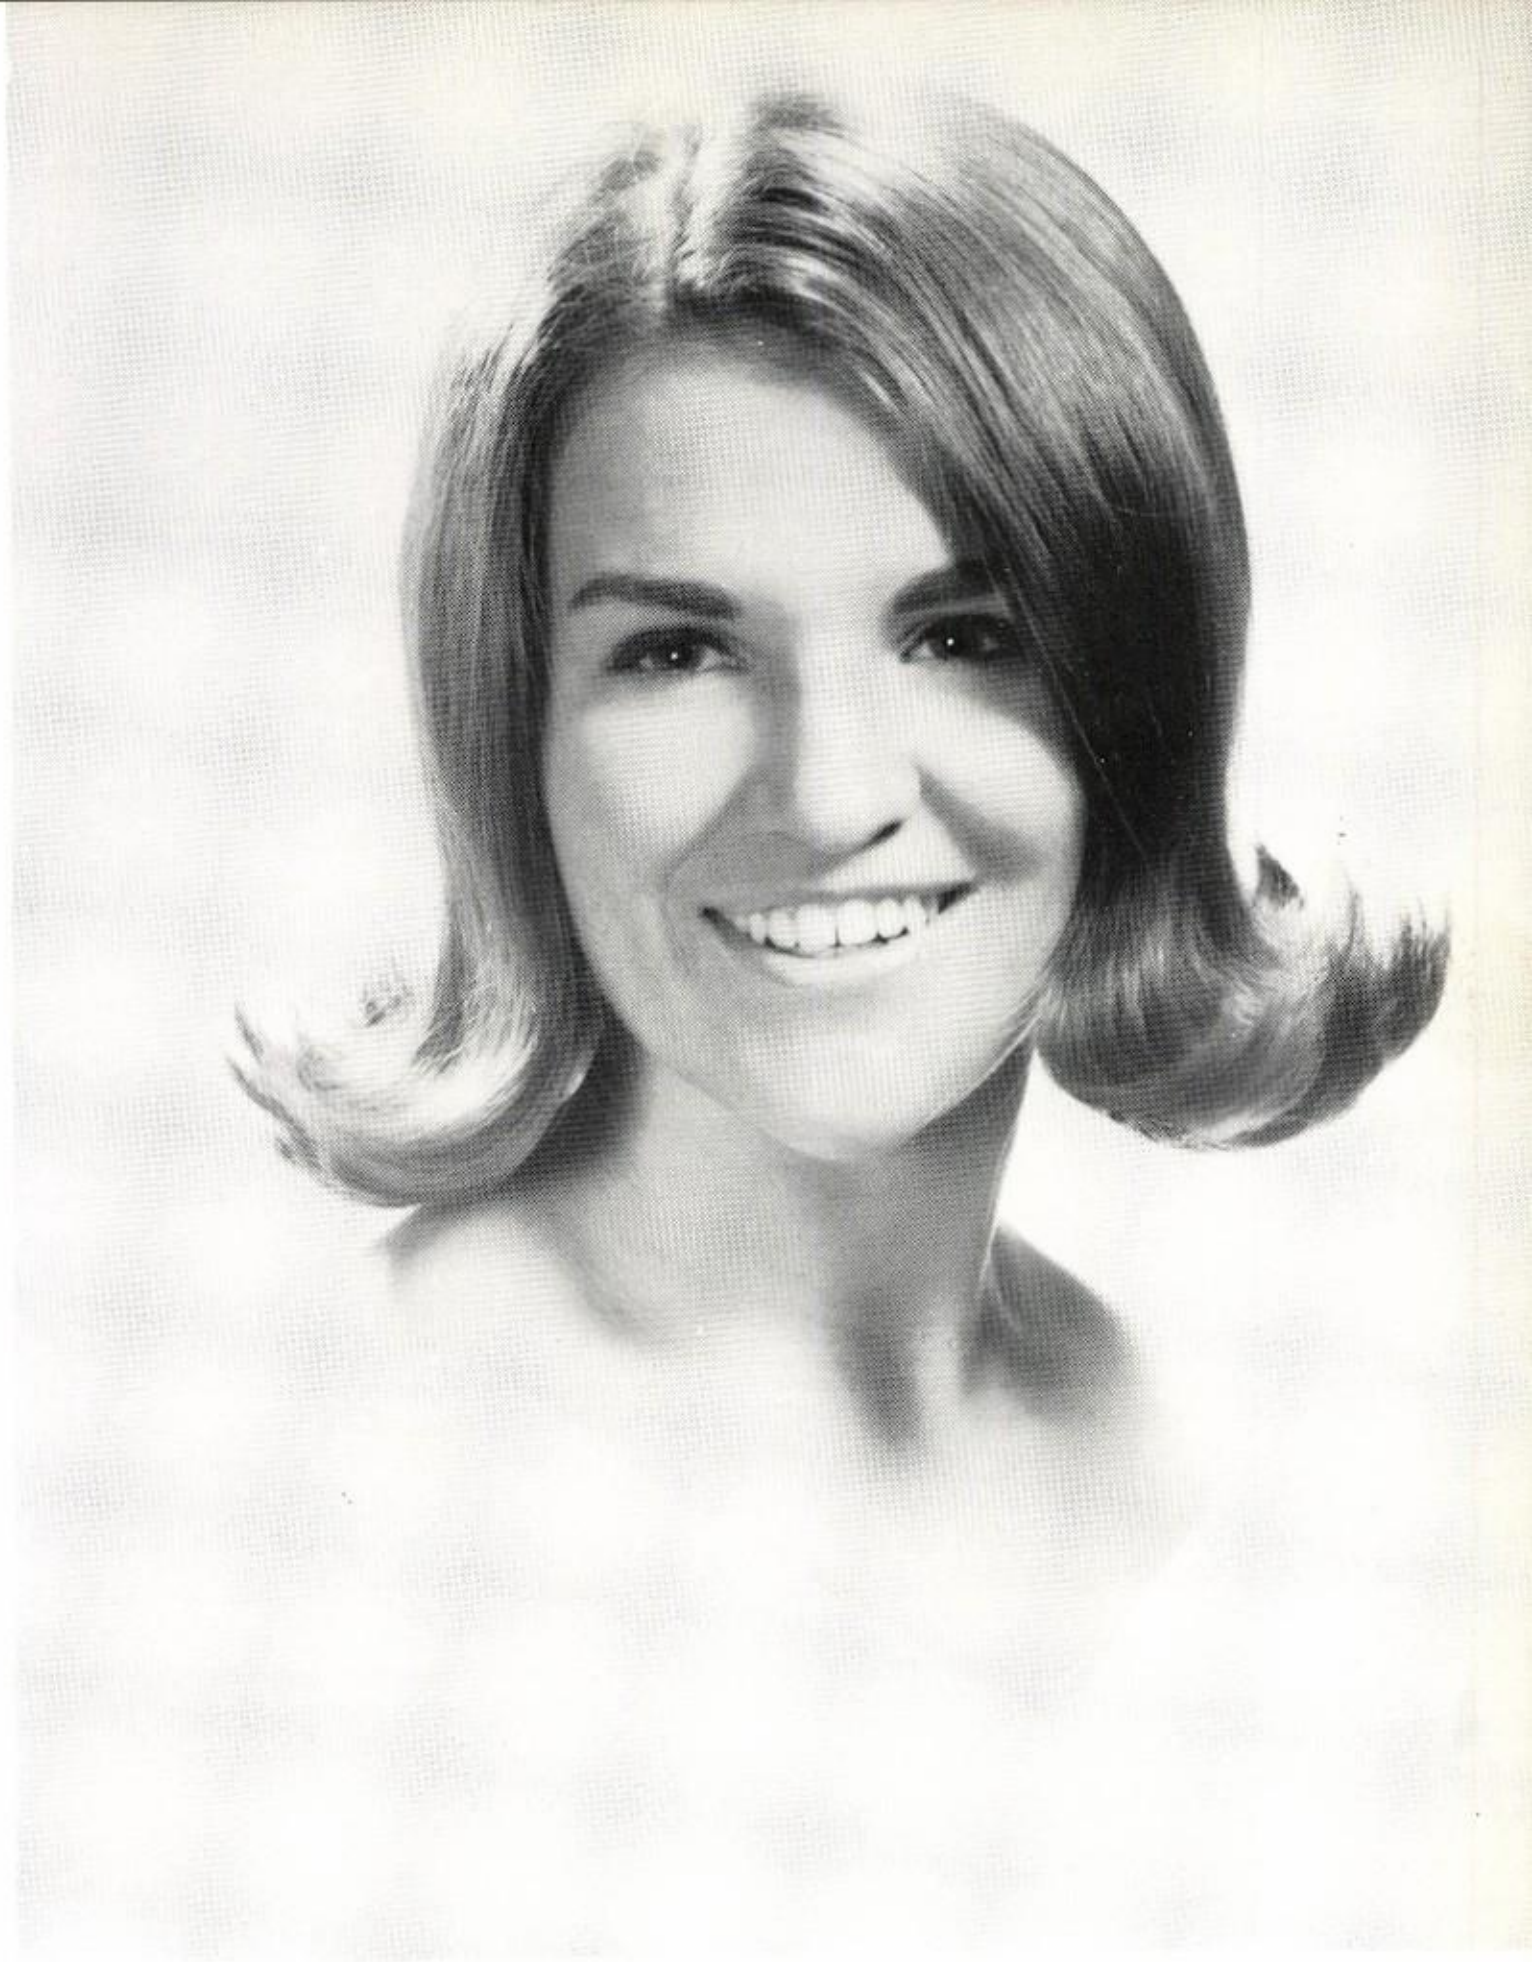

Roger Craig Unger

Craig shares the distinction of being one of the only graduating seniors who has gone "all the way through Greenhill (some 11 1/2 years). Craig spends the bulk of his time wandering around campus looking for a new club to be president of or a luncheon to go to. Particularly adept at making fantastic grades while giving you the illusion that he some how "lucked it out", Craig's true nature can be seen each day at 4th period when he becomes "father" of a group of twenty eighth graders in study hall.

I, Craig Unger, don't leave anything to anybody until I get my couch back.

Kimberley Watters

At 8:35 every morning, a yellow Corvair bombs into Greenhill from Irving and out steps Kimie Wa-Wa...New this year, Kim is already known for her love for cowboys, cars, and "Foggy Mountain Breakdown" - type music...can always be found walking the halls with Diane, much to Mr. Schroeder's dismay...Monty, Bevan, et. al.... "I'm not believing it"... "It's absurd"...But behind all her humor and goofing-off, her determination and good grades are sure to get her into any college - as soon as she gets her clothes altered.

I, Kim Watters, leave Mr. Hartman a life-time subscription to the first and only six pages of the Irving Daily News and to Monty some rouge.

From a blue Corvair steps a mop of dark hair (Is it a razor cut?) with a silvery blond...KENNY...very athletic, Kenny was co-captain of the football team this year...Remember Culver Military Academy?...Proud of his 84 average...a little known aspect of Kenny is his artistic talent...Kenny takes pride in his personalized license plates which identify him as a "wolf"...can usually be found studying (?) in an individual lab with Penny...We wish him all the luck at the University of New Mexico next year.

I, Kenneth Wolf, leave my long straight hair to David Miller, my way with women to Bill Longino and most of all I leave.

Hornets Win

Greenhill won its first Southwest Preparatory Conference, Small School Division, title this year, with a fine 6-2-1 season, and placed nine players on the All-Conference team.

Greenhill opened the 1966 season at Lake Dallas with a 14-2 victory. Halfback Will Fulton scored twice and Bill Longino caught a pass from David Miller for the extra points.

The next game was at Crandall where the Hornets put on a spectacular offensive show. Will Fulton scored on runs of 3, 8 and 43 yards. David Miller ran for a 29 yard touchdown and Bill Longino scored on a 70 yard punt return. Fulton and Schoolfield added the extra points, making the final score Greenhill 40, Crandall 22.

Next the Hornets travelled to Callisburg where they won a hard fought 16-12 victory. David Miller played an exceptional game. He ran a blocked punt 43 yards for a touchdown, completed a pass for the conversion, recovered a fumble and led the team in tackles.

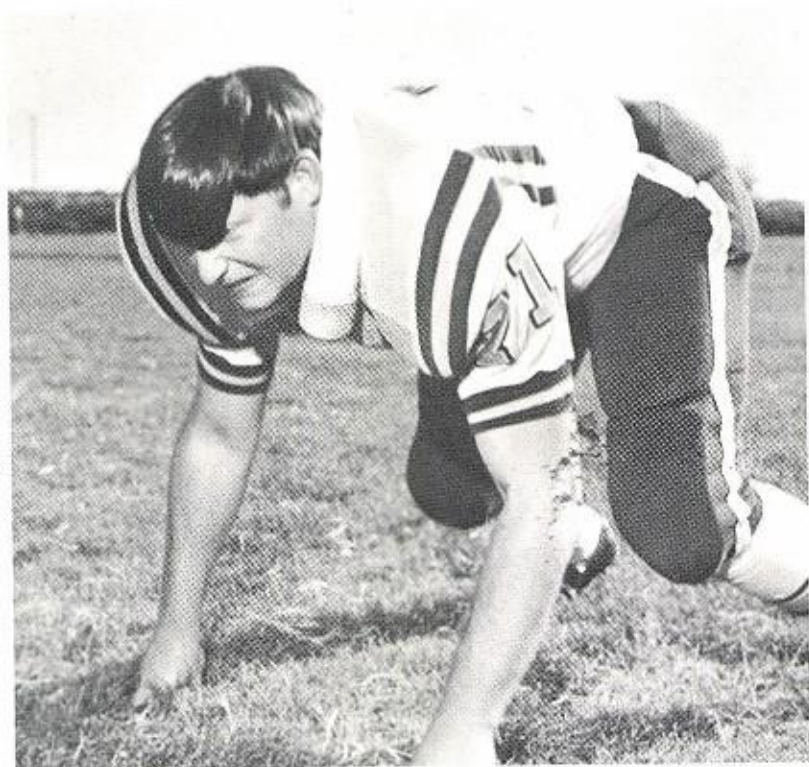

In Greenhill's first home game against Holland Hall, the defense played a key role, holding the Dutchmen to only 69 yards rushing and 45 yards passing. Will Fulton scored the only touchdown of the game, making the final score Greenhill 6, Holland Hall 0.

Craig Moore

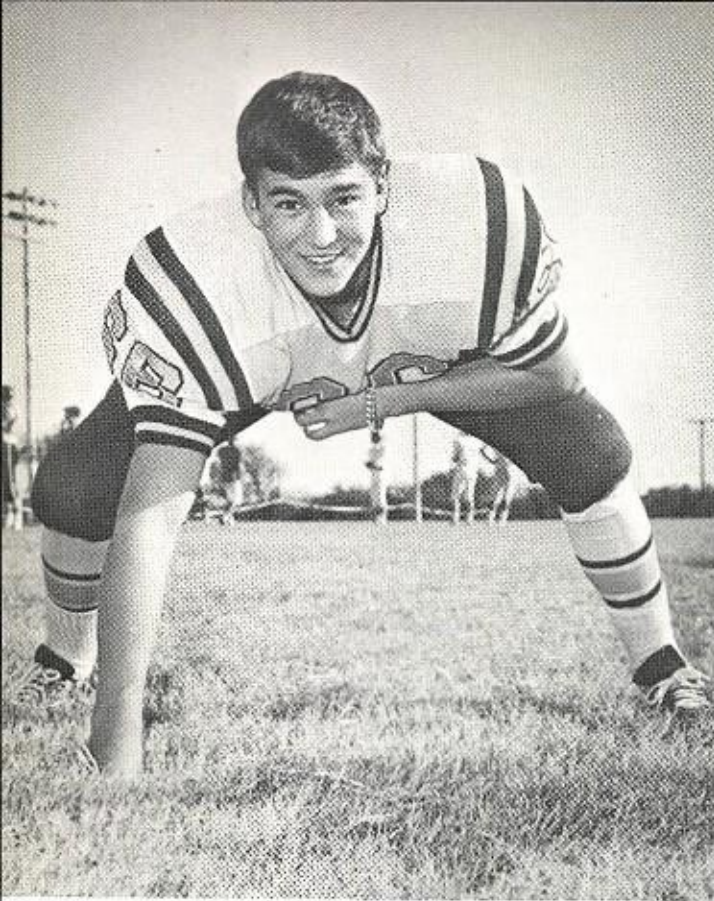

At Sacred Heart of Muenster, Greenhill went down to its first defeat of the season 24-6. Larry Hess did most of the damage against the Hornets who were able to score only after Craig Moore led a fine Hornet drive late in the last quarter.

Greenhill had an off week against Fort Worth Christian and lost 28-0.

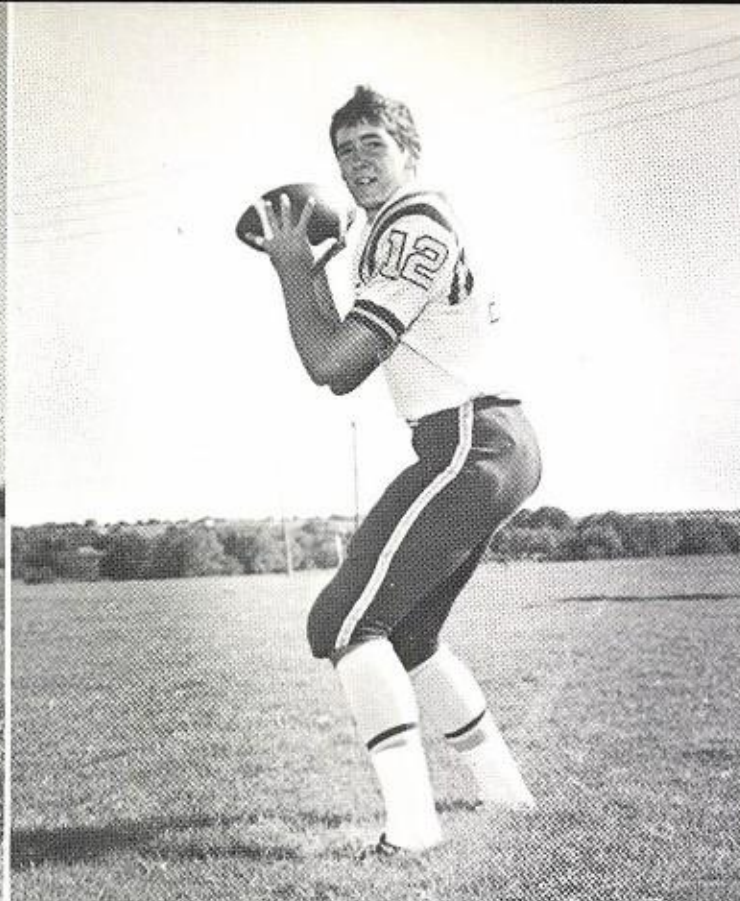

The Hornets returned to their winning ways the following week with a 12-11 win over Pleasant Grove. David Miller scored the first touchdown on a 1 yard quarterback sneak with 7 seconds left in the first half. Late in the third quarter David Harnden scored the winning points when he blocked a punt and ran it back 24 yards for the touchdown.

Against Fort Worth Country Day, Greenhill battled to a scoreless tie. Ken Wolf, Bill Longino, Chico Treutle, David Miller, and Craig Moore were outstanding on defense.

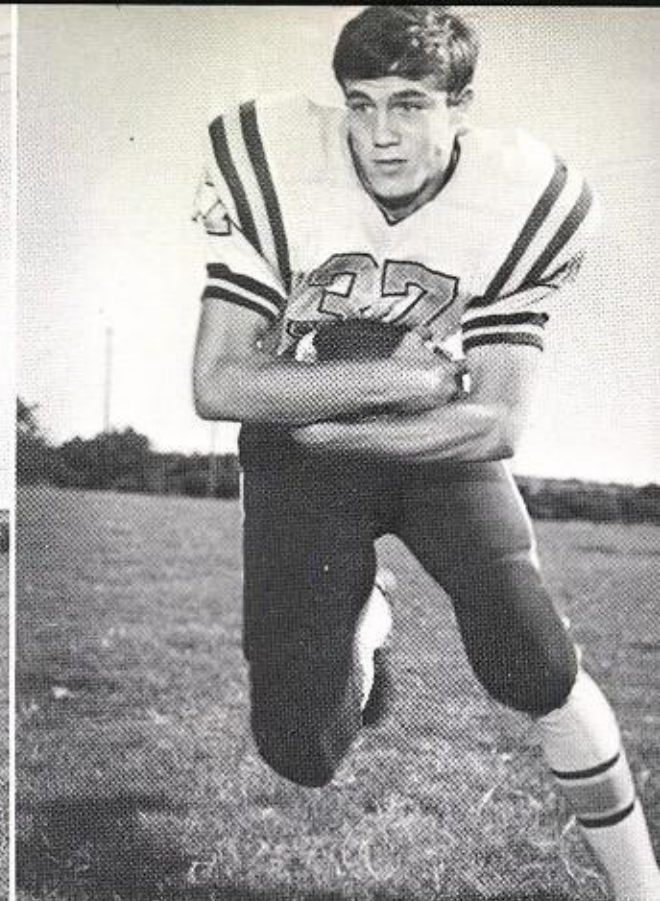

The final game of the season spoiled Pleasant Grove's homecoming as Greenhill beat Pleasant Grove for the second time this season. Fulton scored the first touchdown on a 75 yard punt return in the first quarter and David Miller ran 8 yards for the final touchdown. Moore played a fine defensive game, intercepting 3 passes, as the Hornet finished the season with a 12-0 victory.

Junior Varsity Wins Conference Title

Under the guidance of coaches Joe Gonzales, Mac Rives, Bill Iske, and Charles Smith the Greenhill Junior Varsity had the most successful season in it's history.

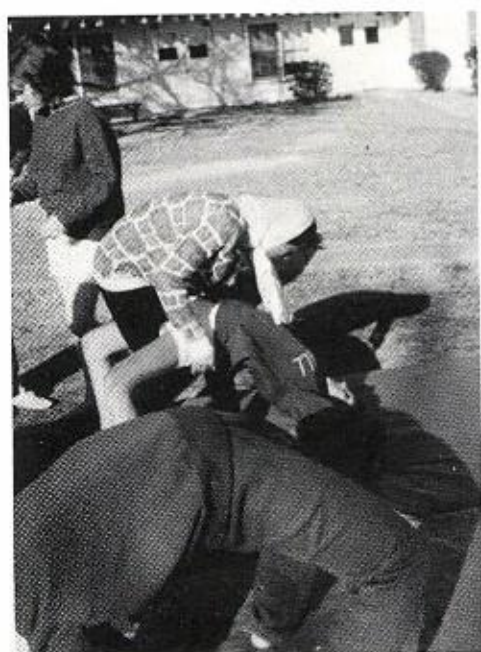

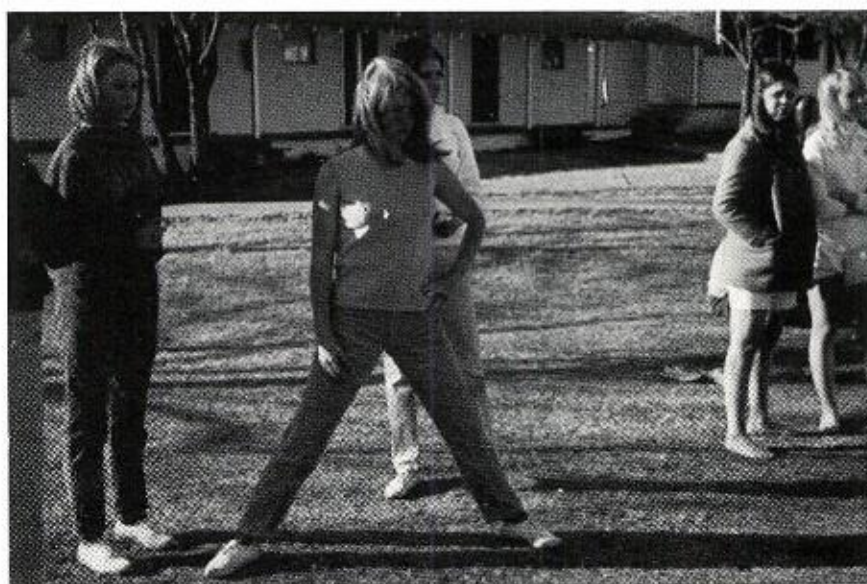

After playing St. Mark's to a 6-6 tie the first game, Greenhill went on to win the rest of its games to post a 5-0-1 record. The big game for Greenhill's Junior Varsity came when they played a rematch with St. Mark's and won 26-14.

Other teams defeated by Greenhill were Ft. Worth Country Day (28-14), Trinity Valley (35-12), Lake Dallas (18-6), and Pleasant Grove (42-22).

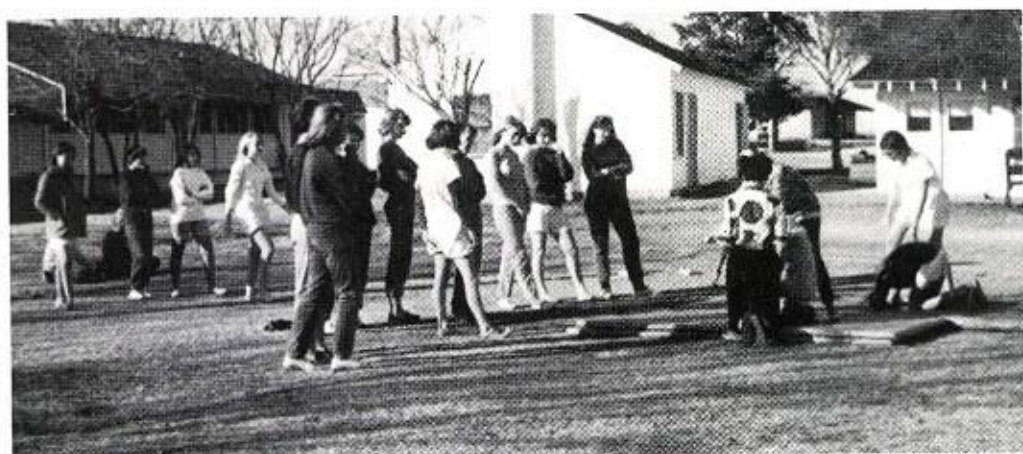

The leading scorers for the young Hornets were Ken Mosesman with 69 points, Jeff Miller with 30 points, and George Watson with 26 points.

Hornets End Successful Season

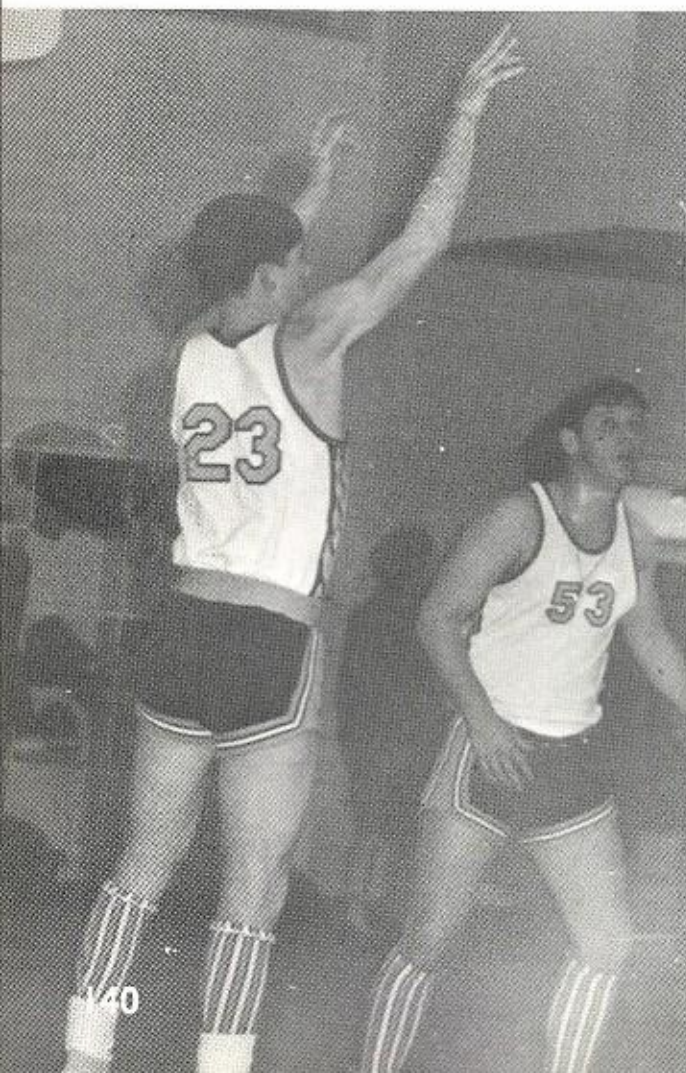

The 1966-67 basketball season proved to be one of the finest in Greenhill history. Under the able coaching of John Hughes and Richard Schroeder, Greenhill posted a season record of 17 wins and 12 losses.

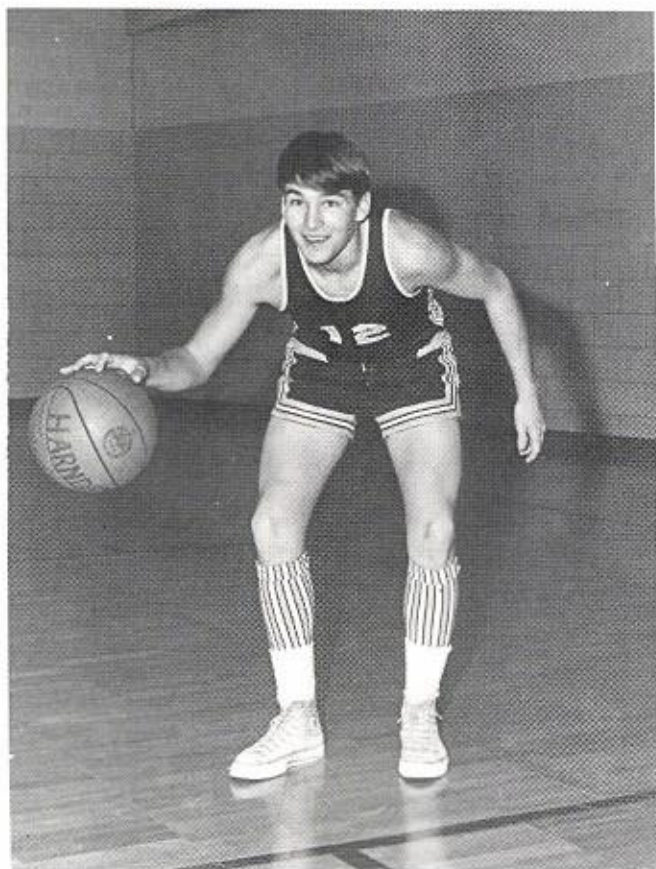

Captain David Harnden was the team's leading scorer with an average of 18 points per game. Two other Greenhill starters, Bill Longino and David Miller, also averaged in double figures. David Harnden broke two school scoring records this year, scoring 520 points for the season and breaking Chip Schoolfield's single game record by scoring 40 points in one game. David also received honorable mention on the all-conference S.P.C. team and was the league's fourth highest scorer.

The rest of the scoring was done by David Miller with 314 points, Bill Longino with 289, Mark Moreland with 247, and Chico Treutle with 122.

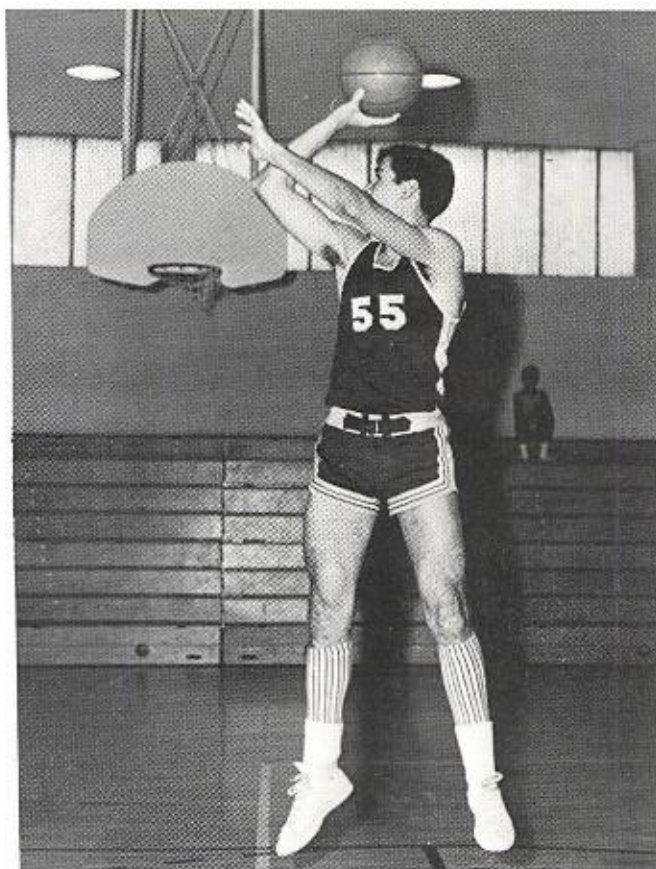

Treutle led the team in rebounding with 326, but Moreland was a close second with 323.

Since all five starters will be returning next year, the prospects for next season are very good.

Entering into this season winless in two years of play, the Girls basketball team, under the leadership of Mr. John Hughes and Miss Doris Parks, rallied to win three of their last five games. Winning the first game against Lake Dallas, spurred by Chan Cox's 32 points, the Girls went on to win Consolation in the SPC Tournament in Oklahoma City, defeating Holland Hall and Cassidy. At the tournament Chan Cox was chosen as an All Conference First Team forward. Penny Beck and Cindy Smock were named Honorable Mention guards, and Karen Funk Honorable Mention forward.

Fulton drives towards the goal

Halftime pep talk

The Greenhill soccer team emerged from its first season in the North Texas High School Soccer Association with two victories and a tie for fourth place. A 5-0 win over Selwyn, a 2-0 victory over Trinity Valley and close losses to St. Marks and Jesuit highlighted the season. An injury-ridden Hornet squad severely felt the loss of first string goalie Lenny Reisberg. The highest scoring team in Greenhill history was led on offense by Craig Moore and Craig Unger, the two leading scorers.

The twenty-three man squad was directed by Coach Richard Williams and Captains Craig Moore, Lenny Reisberg, and Craig Unger. The soccer team will miss the experienced and diligent play of Seniors, Mike Gibbs, Mickey Stuart, Kenny Wolf, Craig Moore, Craig Unger, and Lenny Reisberg. The outlook for next year is bright, however, with fifteen players returning.

This year's Student Council, consisting of three seniors, two juniors, one sophomore, and one freshman, began the school year by chartering all student organizations. Next, the Council, under the guidance of Mr. Schroeder and Mrs. Fulkerson, directed the traditional Thanksgiving and Christmas projects, in which food, clothing, and toys were distributed to needy families in the Dallas area. The Council also participated in the regional Student Council Conference, and for the first year, sponsored a Spring Dance. The 1966 Spring Talent Show was also a huge success.

The Student Council, with its sponsors, serves as a liason group between the administration, faculty, and students. Representatives to the council are elected annually by each class.

The Evergreen

Assistant Editor, David Johnson, Peter Dauterman, Editor, Kim Watters, Diane Hirst, Michele Lansky

Early one morning in the middle of November, it was announced that the faculty and students under the direction of Mr. Schroeder, would publish a newspaper. By the time the second issue was published, The Evergreen had been turned over entirely to the students. The staff is headed by Kim Watters, editor-in-chief, and David Johnson, assistant editor. Other members of the staff include Michele Lansky, Diane Hirst, and Karen Finlay. Middle School news is edited by the Middle School Student Council.

The Evergreen has been effective in promoting and reporting the Building Fund Drive and important school activities.

Mrs. Hansen, Directrice

Le Cercle Français, under the leadership of Mrs. Fred Hansen, has been very active this year in making Greenhill more aware of the contribution of major French artists and authors. Film strips and traveling exhibits have told the story of Jules Verne and many other famous Frenchmen, to the Greenhill Student body.

Funds for the French Club activities come from the annual French fashion show staged in conjunction with Neiman-Marcus.

Middle School Student Council

L. Glatter, J. Freeman, J. Miller, Mr. Young, J. Unger, S. Broone, K. Mosesman, K. Cusak

Under the leadership of Mr. George Young, the Middle School Student Council works in co-ordination with the EVERGREEN in reporting news, and organizes Middle School parties, and works to bring organization to Middle School clubs.

Photography Club

Tommy Kittleman, Jack Keller, Mike Ray, Paul Stern, Steve Rosenthal, Kevin Madison, Charles Schultz, Peter Dauterman, Jim Dauterman

Under the leadership of Peter Dauterman, the Photography Club completed its most active year. The Flash from Kinkaid provided many members with numerous excuses for leaving study hall and performed invaluable services for the Cavalcade. The club supplied photographs for both the yearbook and The Evergreen. Because of the large number of eighth graders in the club, there is reason to believe an upper school photography club will be formed next year.

Summer Studies Abroad '66

Under the direction of Mr. Lev Aronson, Mr. & Mrs. Bernard Fulton, and Mr. & Mrs. Hughes the Greenhill Summer Studies Abroad took another six week intensive study, to the sites of the important events in the history of Western civilization. The purpose of the trip was to give our students an initial insight into the social, cultural and philosophical relationship that each man bears to his fellow man and to the human race as a whole. The group visited England, France, Greece, Italy, Germany, Switzerland, and ended the trip with a two week stay in Austria.

The 1966 Cavalcade Was
Dedicated To...

A MAN

Mr. Tilman Stanfield

...AND A
WOMAN.

Mrs. Frances Baldy

The 1966 Cavalcade traced the path of the Greenhill student from class to class. The Annual Presentation was based on this theme, as the editors, Paul Osborne and Glenda Pool, used an entirely new format. Through the use of taperecorders, all sides of student life at Greenhill were skillfully portrayed. This was followed by a speech by Don Aly, editor of In Magazine, and the program was climaxed by the dedication of the yearbook to Mr. Stanfield and Mrs. Baldy.

STONELEIGH TERRACE

The word guest has a very special meaning to us. **HOTEL**
 And it will to you after only a few days.
 For here's a hotel built and run for living the good life!
 Big rooms, big closets, comfortable beds — even corridors
 carefully decorated to carry the quiet luxury of your
 room out into the halls! If your cup of tea is lots of plate
 glass, chrome and Danish modern you may not like it.
 But if you know and prefer good, solid, luxurious comfort —
 Yes! Outside: two handsome matched lions at the entrance,
 14 landscaped acres, pool, tennis courts and other pleasant
 diversions. Oh yes! A Cadillac limousine
 to meet you at the airport — or take you *Dallas, Texas*
 there. If this sounds like a hotel you thought
 existed only in Europe today, write now
 for a folder, telling all. Better yet, call up
 right now and make a reservation!
 Write P. O. Box 6030, Dallas 75222, or
 dial 1-214-Riverside 2-7111 and ask for
 Jake Webster, Managing Director.
 He will give very special attention to
 what you say!

The Stoneleigh Terrace Hotel is only a four-minute drive from Dallas' Market Center where all the Boat Shows are held.
